City Council's desiring the annexation of such territory to the City of Long Beach are as follows:

(a) It is probable that extensive residential construction will take place within such territory in the near future and the City of Long Beach is interested in the maintenance of such standards of general community development as will satisfactorily compare with adjoining home areas already in the City; and

(b) Since future residents of such territory will, in all probability, enjoy many of the advantages of the municipality to which such territory is contiguous, it is desirable that such territory be made available for sharing the cost of providing those and other advantages.

Sec. 5. That the real property composing said territory proposed to be annexed to said City of Long Beach, is uninhabited, is contiguous to said City of Long Beach, does not now form a part of any other municipal corporation and is more particularly bounded and described as follows:

Sec. 6. Notice is hereby given that on Friday, the 25th day of July, 1941, at the hour of eleven o'clock A. M. at the Council Chamber in the City Hall, in the City of Long Beach, any and all persons owning real property within such hereinabove described territory so proposed to be annexed to said City of Long Beach, and having any objections to such proposed annexation, may appear before said City Council and show cause why such territory should not be so annexed to said City.

Sec. 7. The City Clerk is hereby directed to cause a copy of this resolution to be published at least once a week for two successive weeks prior to said July 25th, 1941, in the Long Beach Sun, a daily newspaper generally circulated in said City of Long Beach and hereby designated by said City Council for that purpose.
